Premium Channels

Customers receive a monthly guide for the premium channels to which they subscribe.

HBO With HBO, you'll enjoy blockbuster movies, original HBO films, innovative comedy specials and superstar concerts. Plus, *HBO Sports* features world-championship boxing and Wimbledon coverage. Selected programs are available in Spanish audio with a cable FM radio connection or an SAP decoder on MTS stereo TV sets and VCRs.

Cinemax Cinemax offers the most movies of any premium service--more than 160 titles a month. Enjoy Hollywood classics, critically acclaimed vanguard films and many quality titles not found in video stores. Selected programs are also available in Spanish audio.

The **Disney Channel**

There's something for everyone on The Disney Channel, where family entertainment goes on around the clock. There's special daytime programming for younger viewers and teens, and at night The Disney Channel features classic movies, concerts, comedies and documentaries for older family members. Includes a free bimonthly guide.

SHOWTIME

Showtime offers hot hit movies, award-winning original films, championship boxing, hilarious comedy and family specials.

Pay-Per-View

Pay-Per-View (channels 51, 52 and 53) offers movies fresh from the theater plus special events like concerts, boxing, wrestling and adult entertainment. Because it's Pay-Per-View, you pay for only what you order. Just get a remote channel selector from Austin CableVision. Then watch *Sneak Prevue* (channel 49) for schedules and automated ordering instructions.

PLAYBOY

Playboy's evening adult entertainment (channel 53) is offered as a monthly premium channel at \$10.45/month or as a nightly Pay-Per-View service at \$4.95/evening.

CABLE SERVICE

Cable Service

Two levels of cable service are available to San Diego residents.

1) Basic Cable Service

This service offers 18 channels, including San Diego broadcast and some Los Angeles stations, KPBS, governmental, educational, and community access channels.

2) Standard Cable Service**

Standard Cable provides 20 exclusive cable channels with a variety of programming. This includes exclusive sports on ESPN, Prime Ticket and TNT. Original series and movies on USA, The Family Channel and Lifetime. The best in news and information programming on CNN, CNBC, and Headline News. Plus comedy, children's programming, music, and quality documentaries.

1

3) Plus Package** (TBS, AMC, DISC, WGN)

In addition to Basic or Standard service TBS, AMC, The Discovery Channel, and WGN are also available. TBS, a Turner Super Station from Atlanta, carries live sports, exclusive documentaries and weekly series. AMC features nearly 60 films a month from Hollywood's golden era uncut and commercial free. The Discovery Channel offers high quality documentary-style programs on Nature, Science, Health, and Adventure from around the world. WGN, the Chicago Super Station, features Bulls Basketball, Cubs and White Sox baseball, and favorite TV programs. These channels may be purchased individually, or as a package.

OPTIONAL SERVICES*

Premium Channels**

In addition to our cable service, we offer five optional premium channels (pay channels) including: HBO, CINEMAX, SHOWTIME, THE DISNEY CHANNEL, and PLAYBOY AT NIGHT. Most of our customers choose at least one premium channel at the time of their original order—saving time and money! We will be happy to review each service with you, and help you choose the services that fit your viewing preferences.

Pay-Per-View— Your Home Video Store!**

If you have one of our Zenith addressable channel selectors, you can enjoy exclusive one-time special showings, such as movies, wrestling, and boxing. Or you can order a series of special events, such as seasonal packages of Padres games. Prices will vary according to the events offered. For previews of upcoming events, prices, and ordering information, tune into Sneak Preview (channel 18) and refer to the monthly Pay-Per-View guide in your cable bill. With our convenient Cable Express Hotline, you can order pay-per-view events, simply with the touch of a few buttons. Just call 578-HITS, follow the voice message instructions and place your order with your touchtone phone! It's fast, easy and convenient!

2

Digital Cable Radio

Digital Cable Radio (available in October 1993) brings flawless digital sounds over cable into your home. This 30 channel service offers a wide variety of CD-quality music from classical to rock to country with no commercials, no DJ's and no interruptions. Included in the low monthly fee is the "Maestro" a smart, universal remote that displays the title, artist, and CD of the song you are listening to.

Converters

Converters are available at an additional charge for customers who have non-cable ready television. Zenith Addressable converters are required to receive premium services (excluding HBO) and pay-per-view movies or events.

FM Service**

A cable connection to your FM stereo receiver enables you to receive several San Diego and Los Angeles FM radio stations.

Video Switcher

This convenient optional unit for VCR owners enables you to record one channel while watching another and to take advantage of the multiple programming features of your VCR.

Remote Control

This wireless unit is available as an option for use with our Zenith addressable channel selector. The remote control enables you to turn your set on and off, change channels, raise or lower volume and even mute the sound—all from the comfort of your easy chair!

Parental Control

For customers who wish to make certain channels or programs "off limits" to other family members, our Zenith addressable channel selector is available in a lock out key version. This parental control option enables you to temporarily lock out channels you do not wish to be viewed in your home. (And it is very easy to use!)

*Available at additional charge.
**Basic Service is required to receive other service levels

Most of our customers choose at least one premium channel at the time of their original order—saving time and money! We will be happy to review each service with you, and help you choose the services that fit your viewing preferences.

Extra Cable TV Outlets*

We offer additional cable outlets in your home, providing cable service to each of your television sets.

FM Service

A cable connection to your FM stereo receiver enables you to receive more than 30 San Diego and Los Angeles FM radio stations. With an FM Service connection, you will also enjoy the following cable services in true stereo sound: HBO AND CINEMAX (in English or Spanish), SHOWTIME, THE DISNEY CHANNEL, MTV, and VIEWER'S CHOICE (pay-per-view).

Remote Control**

This wireless unit is available as an option for use with our Zenith addressable channel selector. The remote control enables you to turn your set on and off, change channels, raise or lower volume and even mute the sound—all from the comfort of your easy chair!

Panasonic Video Switcher

This convenient optional unit for VCR owners enables you to record one channel while watching another and to take advantage of the multiple programming features of your VCR.

Pay-Per-View— Your Home Video Store!**

If you have one of our Zenith addressable channel selectors, you can enjoy exclusive one-time special showings, such as movies, wrestling and boxing from VIEWER'S CHOICE! Or you can order a series of special events, such as seasonal packages of Padres games. Prices will vary according to the events offered. For previews of upcoming events, prices, and ordering information, tune in to channel 45 and refer to the monthly Pay-Per-View guide in your cable bill.

With our convenient Cable Express Hotline, you can order pay-per-view events on VIEWER'S CHOICE, simply with the touch of a few buttons. Just call 578-HITS, follow the voice message instructions and place your order with your touchtone phone! It's fast, easy and convenient!

Parental Control**

For customers who wish to make certain channels or programs "off limits" to other family members, our Zenith addressable channel selector is available in a lock-out key version. This parental control option enables you to temporarily lock out channels you do not wish to be viewed in your home. (And it is very easy to use!)

*Some VCR hookups are considered extra cable outlets when you request a second channel selector for your VCR hookup.

**Due to technical constraints, these options are not available with Basic Cable Service.

***Available at extra charge.

WARNER CABLE

Houston

Dear Valued Customer,

As you may know, the United States Congress passed a law in 1992 imposing new regulations on cable television companies. In accordance with this new Federal legislation, the Federal Communications Commission has issued rules and regulations describing how much cable companies can charge for their services.

To comply with this new federal rate regulation, the prices charged for cable services will change, effective with your statement for September service. The Federal government has dictated that the average monthly bill paid by cable customers for regulated services will not increase. Therefore, prices for some cable services will be reduced, while others will increase. The following information is provided in an attempt to explain how charges for specific services will change under this new rate regulation. The change in the amount you pay each month will depend on the combination of services you have.

New Rates for Basic, Expanded and Standard

Beginning in September, the price for Basic Service will increase from \$9.95 to \$11.95. Basic service serves as the foundation level of cable service and includes locally broadcast television stations and C-SPAN. In some communities, it also includes public, educational and government access channels.

Next month, the new rate for the Expanded Tier of service will decrease from \$11.05 to \$10.63. The Expanded Tier is available only in combination with Basic Service. The combined price for Basic Service and the Expanded Tier will change from \$21.00 to \$22.58.

The Standard Tier of service includes *HSE* and *American Movie Classics*. This cable programming is available only with the purchase of Basic Service and the Expanded Tier. Beginning in September, the new price for the Standard Tier will change from \$2.60 to \$1.32. The combined monthly price for Basic service and the Expanded and Standard Tiers will increase from \$23.60 to \$23.90.

Additional Outlet Charges Eliminated

Prices for additional services will also change in September. The monthly charge for additional TVs connected to cable service will be eliminated entirely.

An equipment charge of \$1.49 will be established for the use of a Standard Tier cable converter. The monthly rate for *The Entertainer* monthly program guide will not change.

Remote Control Purchase Option

In addition, beginning in September, Warner Cable will no longer provide a remote control as part of the services offered on a subscription basis. Instead, our customers may purchase their Warner Cable remote control device for \$5.00 or return this equipment to us. If you choose to purchase the remote control, we will bill you \$1.00 each month for the next five months, or at your option we will bill you \$5.00 in your next month's statement. Please indicate your choice of options for your remote control service on the enclosed business reply card and mail the card back to us. If we have not heard from you before your billing statement for October service is generated, we will bill you \$1.00 a month for five months for the purchase of your remote control device.

New Premium Service Rates and Charges

Our premium service prices will be more uniform beginning in September. These prices will be easier to understand, and you should find it easier to choose among our optional services. Most premium services will increase about 99 cents. In addition, \$3.95 will now be charged for premium services received on additional television sets.

On the back is a list of the services offered by Warner Cable and their prices before and after these changes take effect. Prices quoted do not include state sales tax, franchise fees and fees to support public access programming in the city of Houston.

We are working hard to provide entertainment and information services that are valuable to our customers. In the past year, efforts to improve customer service have resulted in shorter waits for service and repair requests, faster responses to telephone calls and an easier-to-read billing statement. In the past year, we responded to your requests to add *American Movie Classics* and dedicate separate channels for *The Family Channel* and *Arts and Entertainment*.

In the coming months and years, Warner Cable will continue to improve the service we offer by rebuilding its cable system with the latest communication technology. We sincerely appreciate your business. Thank you for your patience and understanding as we work to comply with these new Federal regulations.

Touch Tier

As a customer of Touch Cable Service and you will be a part of a very exclusive club, enjoying the benefits of one of the most advanced cable television systems. It's also the summer-friendly. The system includes a sophisticated receiver and wireless remote unit with these unique features:

Pay-Per-View Ordering:

It allows you to purchase Pay-Per-View events immediately prior to or even during an event without the need for phone calls to your cable system. Pay-Per-View is just a fingertip away. You simply tune to the Pay-Per-View channel and push a button. It's like using a remote and 100% accurate.

Volume Control/Mute:

The unit provides volume and mute control to all customers, even with TV sets that don't have remote volume or mute control.

Display:

The receiver is also a clock that gives you the ability to view the time whenever you want in clear AM/PM digital format.

Parental Control:

To protect children or other unauthorized viewers from watching certain programs or ordering Pay-Per-View events, you can block out channels or programs.

Cable Installation Services

Reminders MONTHLY

INSTALLATION TIME PERIODS

Our installations are scheduled within four hour time blocks:

8:00AM - 12:00PM

11:00AM - 3:00PM and

2:00PM - 6:00PM.

A person over 18 years of age must be present at the time of your installation.

PAYMENT COLLECTION AT INSTALLATION

If you have not yet paid your installation and first month service fees, you must do so at time of installation. Please have a check or money order available payable to "TIME WARNER CABLE OF NYC". Installation technicians DO NOT carry cash or accept cash payment.

PREPARING FOR INSTALLATION

We value your property. Although our installers are very careful and fully insured, it is necessary that you clear the area around your television set prior to installation. The installers are not permitted to move large pieces of furniture.

METHOD OF WIRING

Our installers are not permitted to route cables under carpeting, through hung ceilings or snake them through walls. All cable must be run externally within the apartment so that we may service them properly in the event of a reception problem. We will do our professional best to make the installation neat and inconspicuous. Any changes that are requested after the installation has been completed will result in an additional charge.

LANDLORD NOTIFICATION

It is against the law for your landlord to prevent you from subscribing to cable service by interfering with our installation. If you are not the owner of your residence, we suggest you notify the owner that cable television is to be connected at the address. Also it is sometimes necessary to gain access to your building's basement, roof or yard. Please make any appropriate arrangements for access to these areas prior to your appointment.

VACATION ARRANGEMENTS

Ask our customer service department about our vacation options. There is usually no need to disconnect your service.
